Grease Range by lubemate

The Lubemate Range from Macnaught provides the customers with products that deliver value for everyday jobs.

Lubemate products are exposed to the same testing and quality assurance processes, ensuring offered products are selected based on Macnaught's fuel, fluid and lubrication, application and technical product knowledge.

The Lubemate range features a broad suite of equipment suitable for grease, oil and fuel-based applications.

Manual Greasing – premium quality pistol and lever action grease guns, mini-grease gun, air operated and battery powered for all application requirements.

Grease Couplers – both standard 4-jaw and quick release couplers are available as part of the Lubemate Grease range, along with associated accessories.

Air Operated Greasing – the Lubemate range also includes air operated grease pumps and kits, fixed and mobile for 20KG and 180KG drums.

Fit for Purpose – Price Competitive
